Limited Review Report

Review Report to
The Board of Directors
Kesar Enterprises Limited

- 1. We have reviewed the accompanying Statement of Unaudited Financial Results of Kesar Enterprises Limited ('the Company') for the quarter ended December 31, 2016 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/CMD/15/2015 dated November 30, 2015. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Basis for Modified Opinion,

With effect from April 1, 2016, revised AS 10 i.e. Property, Plant and Equipment has been made effective wherein, all assets within the class of fixed assets are to be carried either at cost or at revalued amount. The Company has preferred to carry assets at revalued amount and revaluation of all assets within in the class of fixed assets is under process and the impact of the said revaluation will be accounted for, once the revaluation of such class of fixed assets get over and same is expected to be completely shortly. Pending such exercise, its resultant impact on Property, Plant and Equipment, liabilities and loss for the quarter is not ascertainable.
